

We All Must Act Now, and Consistently

As **I** have told you before, you must not expect everything to come pre-packaged with the **Holy Spirit**.

YOU have to make an effort, too, otherwise you would just be robots WITH the **Holy Spirit**.

It is **ALWAYS** a question of choice.

Choose **Me**, your **Creator God**, **ALWAYS**.
That is how you defeat Satan.

Do not say that you do not have temperance etc.
Exercise it.

It **IS** a fruit of the **Holy Spirit**.

It does, like a muscle, become stronger and more apparent **WITH USE**.

Each of **My Attributes** **MUST** be **USED** by you.

You were not born with them.

If the apostles had always to counsel the **CHURCH** about their sin,
then **ALL** are vulnerable – **My Body** especially!

It is no easy thing to walk the **Christian walk**, the walk of **My Son**.

It takes determination, stamina, wisdom, purity.

My Children need to have a firm, immovable, unshakeable foundation in **My Son**.

You are not led away with every wind of doctrine
but all the churches certainly are.

All of you, **AS you live by Me**, and for **Me**,
will change the world **FOREVER**.

The End
