Earth Has Two Moons

By Peter James from: www.peterjamesx.com

In view of today's news, I have decided to repost some of this Rhema, which we have had since 2004.

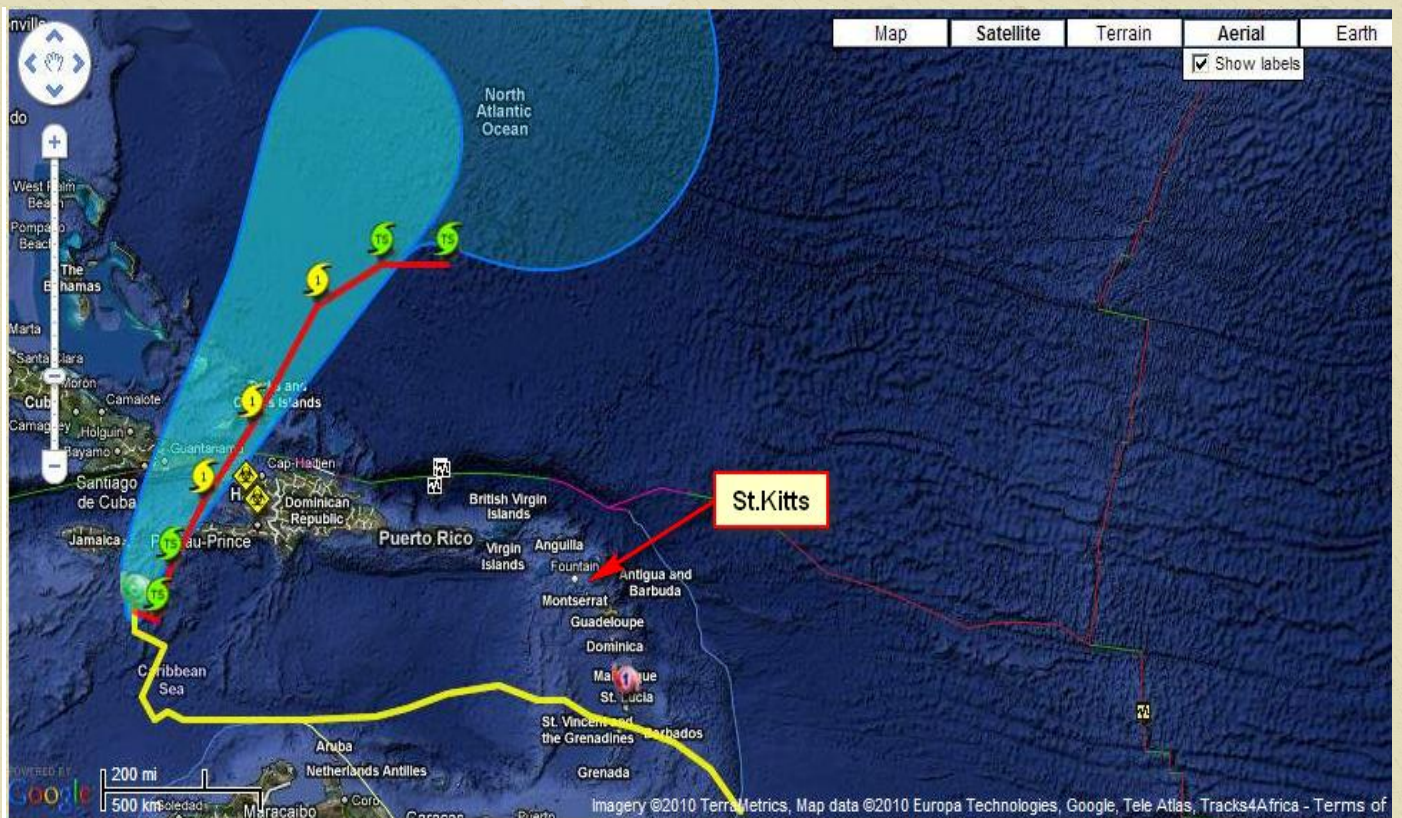

I can also add that on my website there is also a document, which shows, that a powerful and very destructive hurricane was being manipulated, as it was made to do sharp right turns.

This picture is from a document written in 2010/11. 'No Flesh Saved Alive'

<http://www.peterjamesx.com/docs%202011/No%20Flesh%20Saved%20Alive%20Updated%202011.htm>

"Hurricane Thomas from 2010 Note the abrupt changes in direction.

This sort of activity is not normal. I have tracked many hurricanes, but I have only seen this, with this particular hurricane."

The dot entitled 'Fountain', there is no such island in the West Indies.

This is a lesson for everyone who uses Google as their bible.

Some might think that I research the Internet for material which others have written to write my documents, I DO NOT.

Most of My material you will not find anywhere else.

There is an estate in St. Kitts called Fountain.

It might mean that there is a tracking device in Fountain, which has an elevated location, cool enough to grow strawberries. Replace the word Fountain and now you know where I am from.

St. Kitts in the Leeward Islands in the West Indies.

This is the Rhema from 2010

Worship **Me**, and live or worship everything but **Me**, and see how Satan leaches the life out of you until you become like the pallid, lifeless, blue skies, which Satan and his cohorts are giving you now. **Satan, your god, is interfering in the weather to such an extent that weather forecasters are superfluous now.**

Find out from Satan's human henchmen, in a control room somewhere, what their daily whim prompts them to offer you, misled, deceived expendable, counters on a board (to them), as 'approximate' weather for the time of year anywhere in the world.

Look up at the skies, people of the earth.

Where are the stars, the proper sun and moon?

(This is clearly telling us that the sky which we often do not see because most people are looking down and not up, is being manipulated.)

Do you live your lives as downtrodden ants, totally unaware of what goes on in the sky above?

Hear the planes constantly going to and fro to produce chemtrails in the sky above? Feel the electromagnetic pulses which are aimed at people as the planes fly overhead.

You are not imagining things - you are being bombarded by electromagnetic pulses which destabilize the body.

DO NOT go to your governments for answers, they are colluding with Satan to ensnare you.

What is their price? Wealth, Power, and Prestige.

They will use their people as their own personal slaves through the mind control that they allow, and they will herd you into concentration camps that they have built to torture and kill you for their enjoyment, because most now have obeyed Satan so often that he has full possession of them.

They are no longer human beings apart from the fact that they are still flesh and blood.

This IS the REALITY of YOUR ILLUSORY WORLD, peoples of the earth.

Think about this, and cry out to **Me**. If you humble yourselves to **Me**, I will hear you.

If you repent of your sins

I, your Creator God, will hear you.

I desire your good, not evil,

but **I DO NOT** and **WILL NOT** offer you wealth and prosperity.

I offer you life, but a life of joyful, free service to **Me**.

Serve **Me**, the Creator God, and live."

This article which is related to the above Rhema, is almost a complete lie, but there are false moons and suns.

The article states:**Earth has had TWO MOONS for past three years... and no one noticed**

The boffins at the Catalina Sky Survey have stumbled upon an amazing and slightly goofy discovery, apparently Earth has had a second moon for the past three years and nobody noticed.

This 'mini-moon' is actually an asteroid, measuring between 1.9 and 3.5 metres (6.2 and 11.5 feet) in diameter, that was temporarily captured by our planet's gravity. Named 2020 CD3, we picked up our second moon some time in 2017 but, given how vast the sky is and how dark the moon is, it never caught anyone's attention, until now.

BIG NEWS (thread 1/3). Earth has a new temporarily captured object/Possible mini-moon called 2020 CD3. On the night of Feb. 15, my Catalina Sky Survey teammate Teddy Pruyne and I found a 20th magnitude object. Here are the discovery images. pic.twitter.com/zLkXyGAKZl

— Kacper Wierzchos (@WierzchosKacper) [February 26, 2020](#)

Estimates of near-earth asteroids and meteors can reach into the millions but we've only officially discovered around 22,200. Most don't give off much light, until they smash into our atmosphere, while others get trapped for a brief time before being fired back into space.

According to a 2012 supercomputer simulation, these mini-moons are extremely rare; of the 10 million virtual asteroids in the sim, only 18,000 got captured in Earth's orbit.

Funnily enough an asteroid called 2006 RH120 was considered a mini-moon as it orbited the Earth for roughly 12 months between 2006 and 2007. There may have been another contender which made a fiery exit from this life in the skies above Australia recently.

ALSO ON RT.COM Australian desert FIREBALL may actually have been 'MINIMOON,' say scientists

These mini-moons provide a good opportunity to study an asteroid without having to trek out into space and use up a ton of resources to reach them. Unfortunately, according to orbital simulations, 2020 CD3 will depart some time in April 2020.

Here's an animated GIF of our new mini-moon 2020 CD3, discovered by [@WierzchosKacper](#). Rotating frame keeps the Earth/Sun line stationary. Orbital elements courtesy of IUA MPEC. <https://t.co/dok3jn3G9h><https://t.co/x1DXWLq2vmpic.twitter.com/O3eRaOIYjB>

They also lie to us about almost everything.

There is no such thing as outer space.

The earth is not a globe.

The earth is not spinning at 1,000 m.p.h. at the equator, that would be around 700 mph from Northampton where I live.

Have you or anyone you know ever felt this incredible speed?

Get in your car, even better a sports car with a pull down roof, and drive at 70 mph without a roof. You will never forget the experience.

Now increase that to 500 mph, enough said.

Do you think that Aircraft and missiles take into account the spinning earth?

If the earth was spinning at 700 mph turning from East to West, your

jet passenger plane, would never arrive in the U.S. from the U.K.

Your aircraft will always be 2 hours further away each hour.

Aeroplanes cannot land on moving runways.

They tell us that the moon's gravity keeps everything including the oceans, stuck to the earth like a magnet, and its gravity is so strong it affects the tides.

If this is true, then as the earth is larger than the moon, it should have a much stronger gravitational pull. Little insects, flies and wasps should not be able to fly.

They should not even exist, as they cannot fly.

Get a ball and stick a fluffy towel on it, and tie a thin rope to it and wet the ball with a bucket of water, then hold the rope and spin it around your head as fast as you can. The ball should be soaking wet.

What is certain is that you will be soaking wet.

I am simply trying to show you how very gullible we can be, when we listen to the so called professionals.

They tell us that the moon takes 28 days to go around the earth, but we can see the moon rise one day and the next day we see rise again from almost the same place 24 hours later.

LUNAR MONTH | meaning in the Cambridge English Dictionary

 <https://dictionary.cambridge.org/dictionary/english/lunar-month>

lunar month definition: the period of time (about 29.5 days) that it takes the moon to go around the earth. Learn more.

When using a sextant to determine distance, it does not include the absurd figure of 93,000,000 miles or thereabout. In the case of the moon the absurd figure of 250,000 miles is not used.

My point is that there is absolutely nothing that they do not lie about.

We are in a crisis and we all need to wake up, as the hour is late.

Moon Flight Impossible Wernher von Braun

--- Quote from: Wernher von Braun, the father of the Apollo space program, writing in *Conquest of the Moon*

---It is commonly believed that man will fly directly from the earth to the moon, but to do this, we would require a vehicle of such gigantic proportions that it would prove an economic impossibility.

It would have to develop sufficient speed to penetrate the atmosphere and overcome the earth's gravity and, having travelled all the way to the moon, it must still have enough fuel to land safely and make the return trip to earth. Furthermore, in order to give the expedition a margin of safety, we would not use one ship alone, but a minimum of three ... each rocket ship would be taller than New York's Empire State Building.

[almost ¼ mile high] and weigh about ten times the tonnage of the Queen Mary, or some 800,000 tons.

Be Humble

Repent

Listen To The Eternal God

Obey Him

This is very easy to say, but I assure you, that is physically impossible, without the empowerment of the Eternal God. Just going up to some altar call, or running to some church, or isolating yourself, in the hope that somehow, everything will be fine, is not the solution.

The only way out of this dilemma is Jesus Christ.

He is the only way of escape.

We have to be under His Care and Protection.

Salvation by any other name or means,

Simply does not exist.

Complete Obedience is required

Praise the Lord.

Come soon Lord Jesus.

Amen.

The End
